OEM CAR INTERIOR GLOSS RESTORER

Product Lineup

- OEM Car Interior Gloss Restorer 150ml
- OEM Car Interior Gloss Restorer 4L
- OEM Car Interior Gloss Restorer 18L

1. Product Concept

This professional-grade gloss restorer is designed for interior panels such as plastic and leather parts.

It restores a natural shine without stickiness and helps suppress aging while maintaining a clean and refined appearance for an extended period.

2. Composition & Key Features

- Type: Interior gloss and protection wax
- Form: Liquid
- Recommended Usage Amount: Approx. 30 ml per vehicle
- Applicable Materials: Plastic panels, dashboard, door trims, center console, leather parts (excluding moisturizing purposes)
- Finish: Natural and elegant gloss with a non-sticky feel

Key Features

- Restores a natural and refined shine
- Non-sticky, smooth finish
- Long-lasting effect
- Suitable for most interior parts except fabric

3. Performance & Characteristics

Gloss

Provides a natural, elegant gloss without excessive shine.

Workability

Simple sponge application followed by wiping delivers an even finish with minimal effort.

Compatibility

Compatible with a wide range of interior plastic and trim components.

Safety

Formulated to minimize stickiness for comfortable interior use.

Cost Efficiency

Low usage per vehicle ensures excellent cost performance.

Non-Applicable Contaminants

Fabric materials and areas related to driving operation are not suitable.

4. Recommended Application Areas

- Plastic panels
- Dashboard
- Door trims
- Center console

5. Application Method

1. Remove any dust or dirt beforehand.
2. Apply several pumps of product onto a sponge.
3. Spread evenly over the desired area.
4. Wipe with a clean dry cloth to finish.

6. Precautions During Application

- Can be used on leather surfaces, but not for moisturizing purposes.
- Excessive application may cause slipperiness.
- Do not apply to pedals or any areas affecting driving safety.

7. Summary of Product Properties

- Interior gloss and protection wax
- Recommended usage: Approx. 30 ml per vehicle
- Core functions: Gloss restoration and protection
- Application method: Sponge application → Dry wipe
- Applicable environment: Vehicle interior
- Country of Origin: Japan

8. Remarks

- Use a dedicated leather moisturizer if hydration is required.
- Avoid excessive application.
- Do not apply under direct sunlight.
- Shake lightly before use.
